

# Kava Bar Review

## Blue Galaxy Nakamal

Established in 2012 by a husband and wife duo, Blue Galaxy Nakamal is located in Bladiniere Estate, a couple of roads behind Las Flaet Nakamal. It is recognizable by an electric blue light set so high that it can be seen from afar. Kelsey, the owner, is the smiling face behind the always-clean counter serving you a shell, while her husband is in charge of making the kava.

Set among a tropical garden with neat gravel grounds, Blue Galaxy provides a friendly service in a hygienic environment with high quality kava. It is the perfect place to take overseas visitors to show off Vanuatu's nakamal culture.
